May Your Skin Be Merry & Bright!

Put some more jingle in your pocketbook with the purchase either 100 or 150 units of Botox or Dysport for just \$10 per unit! That's a savings of up to a \$300 savings and you'll still receive your Aspire or Brilliant Distinctions points during each treatment.

Time to rejuvenate! Fraxel is a true facial rejuvenation treatment with minimal downtime. The Fraxel is a patented fractional laser technology used to target and safely penetrate the deep level of aging and sun damaged skin to stimulate your body's own natural healing process and to create new collagen. With Fraxel, old and damaged cells are replaced with fresh, glowing, healthy skin. Four monthly Fraxel treatments will have you ready and radiant in time for spring! Fraxel is buy 3 get one free for a limited time. Just \$2,100 for 4 treatments means a \$700 savings!

Thermage tightens the skin by heating up collagen and continuing to revive it for several months after treatment. It takes just one treatment to maintain and tighten the skin for up to 2 years! We recommend a yearly treatment to keep things fresh. Performed in the office, it's a convenient, non-surgical treatment that lasts! The Thermage Christmas special is just \$2,100 for the abdomen, knees, full face and neck. Add the eyes for an additional \$500.

Tina is offering a bikini or underarm laser hair removal treatment for just \$125.

All skin care is 20% off through the end of December!

What are your eyes saying about you? We have some wonderful eye creams, and when used in combination with our new RapidLash Eyelash and Brow enhancer, your beautiful eyes will be ready to ring in the new year! Purchase an eye cream before the end of the year and get a FREE RapidLash. That's a \$50 savings!

*20% off skincare is excluded from this offer

Micro-dermabrasions are an excellent cleaning treatment.
Purchase 3 treatments for just \$250.

Make your skin glow with Clear + Brilliant Laser treatments! A step-up from the microdermabrasion treatment, it'll tighten pores, help with uneven skin tone, and can be done all year long with zero down time. Stock up on these treatments before the end of 2018 for just \$150 each. This is also an excellent way to help maintain your other treatments!

*After the new year the price will be going up to \$225 per treatment.

Be picture perfect for Christmas with a SkinCeuticals chemical peel. Save \$200 and get 4 peel sessions for \$800.

Be sure to ask about the following new products from ALASTIN SKINCARE:

- Restorative Neck Complex
- Regenerating Skin Nectar
- TransFORM Body Treatment with TriHex Technology

With the key ingredient TriHex Technology that helps support the skins natural ability to produce new healthy elastin and collagen, you can't go wrong.

Happiest Holidays from everyone here at the office! ★
