Because you asked for it ...

The Thermage®/FRAXEL™ Challenge is back!

Thermage® has challenged our office to sign up 10 or more participants for one of the following treatments:

1. Thermage® A full face/neck/eyes or body treatment for \$2,500
or
2. 4 FRAXEL™ treatments for the same reduced rate.

Once we reach 10 participants who have paid for their choice of treatment

Dr. Barnthouse will credit each participants account \$250.00!

When we reach 15 patients, he'll credit each participant \$500.00!

That's up to an \$1000 savings!

Thermage® is backed by the most extensive clinical evidence in the non-invasive aesthetic industry.

"Skin tightening without surgery!"

Not only is **Thermage®** FDA approved for the treatment of wrinkles and crows feet, it has been granted more than 50 patents.

Hundreds of thousands of satisfied patients (including our own) are raving about their results after just one **Thermage®** treatment.

FRAXEL™ is for people who want to look good – and want real results – but don't want the extended downtime that comes with surgery.

FRAXEL™ fits into any lifestyle and your current beauty regimen: is a non-invasive, clinically proven to be safe, easily managed into your routine

Real change you just can't get from lotions and creams.

FRAXEL™.

Simple, effective treatment that really reverses signs of aging

Call our office today and speak with Wendy or Adrienne to guarantee your spot as one of the 15 participants in this challenge before it's too late!
